WHY THIS PROGRAM

(REGULAR FACE TO FACE CLASSES)

BALANCING COLLEGE LIFE

After completing Grade 12, most students naturally pursue a traditional college degree. However, in today's highly competitive environment, a standalone degree is often not enough to secure a distinctive and successful career path.

PATH TO PROFESSIONAL SUCCESS

Recognizing this gap, KS Academy has designed a specialized Founders Program for driven students who aspire to pursue professional qualifications like CA/CMA alongside their regular college education—giving them a powerful academic edge.

STRUCTURED LEARNING SYSTEM

Our program is thoughtfully structured to help students effectively balance college life and professional preparation—ensuring they enjoy their college journey while simultaneously building a strong and future-ready professional foundation.

ACHIEVE YOUR CAREER GOALS

With expert mentorship, structured preparation, and continuous support, students are empowered to confidently achieve their professional milestones and build a rewarding, future-ready career.

FLEXIBLE & AFFORDABLE FEE DETAILS

Our flexible and cost-effective fee structure is thoughtfully designed to support students in managing the financial requirements of both the Academic and Professional program.
